- The durable fabric material and rugged rubber housing allows your speaker to outlast all of your adventures
- Wireless Bluetooth Streaming Wirelessly connect up to 3 smartphones or tablets to the speaker and take turns playing surprisingly powerful, room-filling stereo sound.
- 3000mAh Rechargeable Battery: Built-in rechargeable Li-ion battery supports up to 10 hours of playtime; Build your own ecosystem by connecting multiple JBL Connect enabled speakers together to amplify the listening experience
- Take crystal clear calls from your speaker with the touch of a button thanks to the noise and echo cancelling speakerphone
- Splashproof means no more worrying about rain or spills; you can even clean it with running tap water. Just don't submerge it; Hear the bass, feel the bass, see the bass. Dual external passive radiators demonstrate just how powerful your speakers are
